## **SIMMONS & WHITE, INC. ANNOUNCES NEWEST REGISTERED PROFESSIONAL ENGINEER, CARMELO CARATOZZOLO, PE**

**West Palm Beach, FL, March 10, 2009** - Simmons & White, Inc. is proud to announce that Carmelo Caratozzolo, PE has recently passed his professional engineering exam and is now a registered Professional Engineer (PE) in the State of Florida.

Mr. Caratozzolo, a senior traffic engineer, joined Simmons & White in 2005 and has over 6 years of traffic engineering experience. His professional experience includes engineering and planning support services in the areas of traffic signal design, signal warrant analysis, traffic impact analysis, including development of regional impacts (DRI), development feasibility studies, access and internal circulation studies and parking analyses.

Mr. Caratozzolo is a graduate of Syracuse University with a bachelor of science in civil engineering. Additionally, he is a registered professional engineer in Florida, past president of the Florida Engineering Society, Palm Beach County Chapter and member of the Institute of Transportation Engineers.

Simmons & White, Inc. is a comprehensive professional engineering consulting firm headquartered in West Palm Beach, Florida offering a full range of civil and traffic engineering consulting services to both private and public sector clients throughout Florida and the Southeastern United States. Founded in 1982, Simmons & White has built a reputation for outstanding client service, dependability and integrity. Simmons & White's primary services include site development, civil engineering, traffic engineering, and construction services.
